GERMANY BOWS TO AMERICA; WAR CLOUD PASSES

REPLY OF GERMAN EMPIRE TO AMERICAN NOTE WILL BE FAVORABLE

GERARD WIRES BERLIN ADVICES

SUBMARINE WARFARE TO BE ABOLISHED; RUSSIANS STILL IN RETREAT

WASHINGTON, D. C., JUNE 28.—A FAVORABLE REPLY BY GERMAN TO THE LAST AMERICAN NOTE IS INDICATED IN TODAY'S STATE DEPARTMENT ADVICES FROM BERLIN.

ADVISES CAME FROM AMBASSADOR GERARD AND, NOTABLY, ARE THE FIRST OF A DEFINITE NATURE RECEIVED SINCE THE AMERICAN NOTE REACHED THE GERMAN FOREIGN OFFICE.

THE EXACT NATURE OF THE AMBASSADOR'S MESSAGE WAS NOT DIVULGED FOR OBVIOUS REASONS AND IT DID NOT BECOME KNOWN WHETHER HE REVEALED ANY INDICATION OF THE TREND OF THE FORTHCOMING GERMAN REPLY.

THE AMBASSADOR'S DISPATCH IS OF SUFFICIENT DETAIL, HOWEVER, TO PUT WASHINGTON OFFICIALS IN OPTIMISTIC ATTITUDE.

Ambassador Gerard based his observations on the favorable effect which the visit of Dr. Meyer Gerard, personal emissary of Ambassador von Bernstorff, had produced on the German officials.

Gerard is understood to have reported that public opinion in the United States was growing more favorable to Germany up to the time the Lusitania was sunk.

Gerard made it clear that the United States did not want war, but just a satisfactory reply.

The Germans were eager to give such answer, but they want to make it clear that Germany can not make concessions which would destroy the effectiveness of the submarine.

Russ Regroup the Staffs to Stand Off Germans.

Petrograd, June 28.—Officers of the Russian general staff say that they have satisfactorily achieved the regrouping of their forces necessitated by the German Galician campaign and now stand ready effectively to oppose any further advance of the Austro-German forces in Galicia or in southern Russia.

Germany Cross Dnieper.

Berlin, June 28.—The town of Halle in Galicia on the Dnieper river, has been occupied by German troops and the river Dnieper has been crossed by the Germans along the entire front. It is officially announced.

London, June 28.—The number of casualties in the bombardment of Hartlepool, Scarborough and Whitby some time ago by hostile airships was 127 killed and 867 injured. Under Secretary Bruce announced in the house of commons. He stated that fourteen air attacks, chiefly against undefended

WM. M. PEELER, DRIVING NEW REGAL MEETS WITH DISASTROUS ACCIDENT

W. M. Peeler, driving a new Regal, a passenger car, ran into a street car at the corner of Cleveland and 18th streets Saturday afternoon at about 5 o'clock. This is the second car that has been smashed at that point within a week. A car driven by an Oklahoma City man was demolished the Saturday previous at the same place and at the same hour and by the same means.

The front end of the Regal was completely smashed, the wheels torn off and the radiator ruined. Mr. Peeler and his passenger escaped without injury. The damage done to the car will probably exceed \$100.

GUTHRIE TO HAVE A "COAL OIL JOHNNY" TOO

Having practically completed the connection in Cushing between the Santa Fe and old Cushing Traction company's depots, thus giving the Santa Fe direct connection from its own lines to the one it recently purchased from Cushing to Pemeta, that company will install a "Coal Oil Johnny" passenger train from Oklahoma City via Guthrie, Ripley and Cushing to Pemeta and other oil field points touched by the Oil Fields & Santa Fe line. As soon as the two ends are connected across the oil field, this passenger run will also take in Oilton, Jennings and perhaps end at Tulsa via Frisco. Work on the extension to Oilton is now in progress, grading having been completed for over two miles east and north from here.

PLOT TO RESTORE HUERTA TO POWER IS NIPPED IN BUD

ARREST OF HUERTA AND OROZCO NEAR EL PASO PUTS QUIETUS TO NEW MOVE

(By Associated Press.)

WASHINGTON, JUNE 28.—FURTHER CONFIRMATION OF THE DEFEAT OF THE CARRANZA ARMY ADVANCING ON MEXICO CITY BROUGHT TO VERA CRUZ BY AMERICANS FROM THE CAPITAL, REACHED THE STATE DEPARTMENT TODAY.

El Paso, Tex., June 28.—Gen. Victoriano Huerta arrived in El Paso, cheered by hundreds of Mexican refugees and sympathizers on this side of the border. Today he is detained at Fort Bliss, a virtual, if not a formally accused prisoner of the department of justice of the government whose flag, as president of Mexico, he refused to salute. Detained with him is Gen. Pascual Orozco, who, with Major Luis Fuentes, a son-in-law of Huerta, had gone to Newman, N. M., by automobile to meet General Huerta. Fuentes, together with General Huerta, a son, and A. K. Ratner, confidential financial associate and interpreter, who were traveling with the general, were not detained.

U. S. Troops Help.

Federal officials, who accompanied by a squad of American troops, met the Mexican party at Newman, N. M., asserted General Huerta to the federal building where he conferred with representatives of the United States department of justice. While not under actual arrest it was declared General Huerta was under virtual detention pending instructions from Washington.

New Charges.

Charges of conspiring to incite a revolution against a friendly country were filed against Huerta. Similar charges were filed against Gen. Pascual Orozco. Huerta was released on \$15,000 bond and Orozco on \$7,500.

Details of Plot That Was Nipped.

Washington, June 28.—The inside details of a plot to restore the Victoriano Huerta regime to power in Mexico which was nipped in the bud by the United States began trickling out today through the net of official secrecy.

While Huerta and his chief lieutenant, Orozco, are under federal detention at El Paso, other Mexicans, nearly a score of whom had a part in the plot that failed, and probably some Americans, are under surveillance by the department of justice.

Secretary Lansing conferred with Assistant Attorney General Warren and it became apparent that the department of justice intends to sift the case to find the backers of the new revolution.

Where the trail might lead in the United States is only a matter of conjecture.

It is generally believed that the coup was to have financial support of some prominent American interests.

MILLIONS LOST IN OIL FIELD BY FIRES

Tulsa, Okla., June 28.—Severe winds and rainstorms swept the Oklahoma oil fields yesterday, doing damage estimated at \$25,000. In the Cleveland field one hundred and seven oil rigs were blown down.

Kansas City, Mo., June 28.—F. R. Henderson, former president of a bank in Kansas City, Kan., was arrested here on a warrant charging him with misappropriating \$7,600 of the bank's funds. The charge as drawn accuses Henderson of cashing five checks against the bank's assets and paying the money to himself.

MISS KELLOGG LEFT NO WORD WHEN SHE LEFT

SIXTEEN YEAR OLD DAUGHTER OF DR. J. F. KELLOGG QUILTS HOME

Probably lured, according to the police by rosy promises of a "good time" away from the "monotony of home," Miss Helen Kellogg, aged 16, petite and vivacious, has mysteriously disappeared from the home of her parents, Dr. and Mrs. J. F. Kellogg, 612 East Mansur.

Telegrams have been sent to all nearby towns and cities and officers of the larger cities have been given a description of the girl.

Police say there is "a man in the case." Miss Kellogg was last seen Saturday evening. She was in the company of F. F. Thompson, a traveling man. Thompson lives in Wichita. He had been a guest of the home hotel since the Monday before.

Thompson disappeared also Saturday night.

Reports received from Perry stated that the missing girl was there Saturday night, probably on her way to Tulsa. She was alone. According to the sheriff's office an old man at Tulsa may have induced the girl to leave home.

Parents and friends of the young girl are shocked to learn of her actions. Her home life it is said was pleasant and she was not curbed in the pursuit of pleasure.

The girl took all of her jewelry and a suit case packed with clothing. She left no word to anyone.

Old papers to a bunch at the Lead-er office.

INSIDE BANK ROBBERY NETTED COOL \$2,500,000

STORY OF LOOTING OF CHAIN OF LORIMER-MUNDAY BANKS IS TOLD

MUNDAY CHARGES HIGHLY SENSATIONAL

HOW FINANCIAL GENIUS OF LA SALLE BANK ACQUIRED FORTUNE IN 11 YEARS

(By Associated Press.)

Morris, Ill., June 28.—The charges which led to the indictment of Charles B. Munday, who is said to have been the financial genius of the La Salle Street Trust and Savings Bank, of Chicago, form one of the most sensational chapters in the banking history of Illinois. The bank was organized by Mr. Munday and former United States Senator William Lorimer. When the bank failed in June, 1914, there followed the collapse of nine other banks and trust companies of the so-called Lorimer-Munday string.

Fourteen persons were indicted last winter, the chief of them being Mr. Munday, the second vice president, and Mr. Lorimer. The state chose to prosecute Mr. Munday first and, on his declaring that his association with the political fortunes of Mr. Lorimer precluded a fair trial in Chicago, a change in venue to this city was granted.

A grand jury at Chicago which considered the case for more than three months, brought in a report last October in substance as follows:

The fourteen persons named in indictments were alleged to have looted the Lorimer-Munday institutions of almost \$2,500,000, with violation of practically every banking law in the state.

"Kited" Checks by Wholesale.

It was charged that assets of the La Salle Street Trust and Savings Bank had been stolen to organize other banks in the Lorimer-Munday chain; that checks had been "kited" in carrying out the program and that the parent bank had been insolvent for some time prior to the collapse.

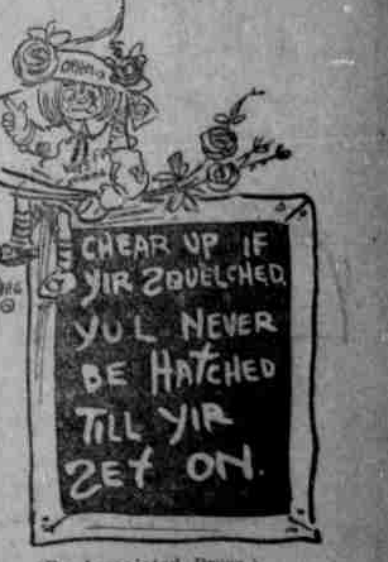

Valuable securities held by financial institutions in which Lorimer, Munday and associates became interested were alleged to have been replaced by securities known to be of worthless or doubtful character.

The twelve others indicted were officers of the Lorimer-Munday banks, namely, H. W. Huttig, Charles G. Fox, Thomas McDonald, John K. Soagrove, Edwin J. Potts, Abraham Levin, Paul Hovard, John H. Rife, Frank H. Novak, Charles W. Novak, John B. DeVoney, and William Lorimer, Jr. The trial of Munday is expected to adduce testimony bearing on all of the cases to be tried later.

Among the grand jury allegations against Munday is one that he gave worthless checks to L. Y. Sanders.
